

September 22, 2021

I hear that our September meeting was a great success. I'm sorry that I couldn't be there with you. Everyone tells me that it was wonderful to see each other in person again!

Mac McParland spoke about Mexican history through the 19th century. It was a great program – not just the history but the underlying royal/political overtones – and his great humor in the presentation. This is an area of history we knew very little about.

I hope you enjoyed the selection of prepackaged snacks that we provided. Let us know your feedback.

Please remember to pay your dues for the upcoming year and send us your email address. We hope to make our website (www.vsa-nnj.com) and our Facebook page our primary means of communication with you. Let us know if you do not have any access to email, and we'll still contact you through US Mail.

Take a moment to visit and like our Facebook page at:

facebook.com/VSANNJ

Then you'll see our updates, meeting announcements, etc. right away as part of your Facebook news feed.
