

November 2022

Dear Members,

I hope you were able to join us last month for our presentation about Magic Lanterns. Beth Shepard created a terrific program!

We learned about the history of the Magic Lantern (slide projector), and how it was used in education and entertainment since the 1700's. Beth demonstrated and how it was used to perform along with poetry (Edgar Allen Poe) and music. The presentation included performances by professionals Janet Aldrich and Jeremy Whitner.

I hope you can join us for our November meeting about photograph of Europe from 1800-1925 taken by artist Charles Warren Eaton of Bloomfield NJ.
